M: Hi, I'd like two tickets for the 7 p.m. show of Ocean Adventure.

W: Let me check. The 7 p.m. is almost sold out. I only have seats in the front row left.

M: Oh, that's too close to the screen. What about the 9 p.m. show?

W: Plenty of seats for that one. Regular tickets are \$12 each, or if you're a student, it's \$9 with an ID.

M: I'm a student. Here's my ID. So that's \$18 total?

W: Actually, there's a weekend extra fee of \$2 per ticket. So it'll be \$11 each for you, \$22 total.

M: Okay, that's fine. I'll take two for the 9 p.m.
