

## Listening Transcript Set 2 Passage 8

M: Hey, Lauren. How's the college project going?

W: Getting there, thanks! And thanks again for lending me your camera. The test scenes I shot last week were fantastic!

M: No problem!

W: I'm hoping to start filming next week, but I still need a few background actors for the dance scene.

M: My sister could probably find some volunteers from her dance school. Shall I ask her?

W: Really? Yes please! That would be great.

M: Sure! It's not paid, is it?

W: Unfortunately, not. But I'll pay for food and drink, as well as travel costs.

M: Okay. Costumes?

W: It's set in modern times, so they can just wear their own clothes.

M: Great! Can you text me when, where, and anything else they need to know, and I'll pass it on.

W: Sure! Thanks Billy. You're a star!
